How can we enhance our participation in the Liturgy?

This program is designed to deepen participants' understanding of the role of Cantor and Leader of Song within the Liturgy. Student and teacher participants will be given the opportunity to deepen their understanding of liturgy, to develop their liturgical musicianship and to enhance their participation in liturgy as cantors and leaders of song.

The day will begin with an experience of liturgy followed by a masterclass where students will have the opportunity to rehearse in the role of Cantor and Leader of Song. Teachers will also receive support to better prepare for school liturgies and cathedral liturgies.

This workshop will be tailored to the specific needs and interests of the participants in secondary contexts.

Registration:

School staff can register on My PL (IPLS) via the CEVN website.

Teachers will then be contacted regarding names and dietary requirements of participating students (see below).
